any one type (excluding Form 1099-F), you must file electronically, if you are required to file electronically but fail to do so, and you do not have an approved waiver, you may be subject to a penalty. The Taxpayer First Act of 2019, enacted July 1, 2019, authorized the Department of the Treasury and the IRS to issue regulations that reduce the 250-return requirement for 2021 tax returns. If those regulations are issued and effective for 2022 tax returns required to be filed in 2023, we will post an article at www.irs.gov/Form1099 explaining the change. Until regulations are issued, however, the number remains at 250, as reflected in these instructions. For more information, see part F in the 2022 General Instructions for Certain Information Returns.

Forms 1099-QA and 5498-QA can be filed on paper only, regardless of the number of returns.

Who must file. Any person or entity who files any of the forms shown in line 6 above must file Form 1096 to transmit those forms to the IRS.

Caution: Your name and TIN must match the name and TIN used on your 941 series tax return(s) or you may be subject to information return penalties. Do not use the name and/or TIN of your paying agent or service bureau.
